Dear Restaurant Owner/Manager:

The City of Ithaca has begun accepting applications for the 2022-2023 Outdoor Dining season.

Restaurants can apply for either an annual or a seasonal outdoor dining permit. In order to be considered for an outdoor dining permit, a completed application, along with the required documentation and fees should be submitted to the City Planning Department. Any restaurants wishing to serve outdoor alcohol will need to first obtain Common Council approval. A summary of all rules and requirements for outdoor dining can be found in the City of Ithaca Outdoor Dining Information Packet, which is located at the following link: <http://www.cityofithaca.org/174/Commons#Dining>

For questions regarding this process or to obtain additional information, please contact Jennifer Kuszniir at jkuszniir@cityofithaca.org.
