Summary of Draft Environmental Impact Statement	i
Final Scoping Document	iv
CHAPTER ONE: Description of Proposed Action	2
1.1 Introduction (General Description of Proposed Project)	2
1.2 Project Purpose, Need, and Benefit	2
1.3 Proposed Location, Setting and Zoning	3
1.4 Program	8
1.5 Comprehensive Plan	9
1.5.1 West Campus Site Plan	9
1.5.2 Architectural Design	14
1.5.3 University Avenue Surface Parking	17
1.5.4 CRC	22
1.5.5 Proposed Sustainable Site Design	22
1.5.6 Site Utilities	23
1.6 Facility Operations	24
CHAPTER TWO: Potential Significant Impacts	29
2.1 Stormwater Management	29
2.2 Natural Resources: Vegetation	37
2.3 Visual Resources	42
2.4 Cultural Resources	54
2.4.1 Historic Resources	54
2.4.2 Archaeological Resources	70
2.5 Transportation and Circulation	72
2.5.1 Pedestrian Circulation	72
2.5.2 Bicycle Circulation	79
2.5.3 Transit Service	80
2.6 Parking	83
2.6.1 Transportation Demand Management Program (TDMP)	83
2.6.2 West Campus Site Parking	85
2.6.3 University Avenue Site Parking	85
2.7 Vehicular Circulation	88
2.7.1 Traffic Conditions and Operations	88
2.7.2 Vehicular Service Capacity	98
2.7.3 Safety	109
2.8 Service Vehicles	115
2.9 Emergency Vehicles	118
2.10 Student Move-In/Move-Out	121

CHAPTER THREE: Construction Impacts	123
3.1 Description of Construction Phasing /Staging and Construction Activities Per Phase	123
3.2 Demolition and Recycling of Materials During Construction	125
3.3 Construction Impacts to Hot Truck	126
3.4 Construction Impacts to the 4th Ward 1st District Polling Place	128
3.5 Construction Impacts to Stormwater	129
3.6 Construction Impacts to Air Quality	130
3.7 Construction Impacts to Noise	131
3.8 Construction Impacts to Traffic & Parking	132
3.8.1 Construction Impacts to Parking	132
3.8.2 Construction Impacts to Traffic	134
3.9 Construction Impacts to Pedestrians and Cyclists	138
CHAPTER FOUR: Alternatives to the Proposed Action	140
4.1 Alternatives to the West Campus Plan	140
4.1.1 Renovation of the Existing Facilities	140
4.1.2 Alternative Residential Design	140
4.1.3 Smaller West Campus Project	142
4.1.4 No Action -- West Campus	142
4.2 Alternatives to University Avenue Surface Parking	143
4.2.1 Alternative Locations for Parking	143
4.2.2 Alternative Design to University Avenue Parking	146
4.2.3 Smaller University Avenue Project	146
4.2.4 No Action -- University Avenue	146
CHAPTER FIVE: Irreversible and Irretrievable Commitment of Resources	149
5.1 Construction Phase	149
5.2 Operating Phase	149
CHAPTER SIX: Growth Inducing Aspects	151
