**Accident Reports typically take 3-5 business days for them to be completed, approved by a supervisor, and then entered into official records at the Police Department. Copies of an Accident Report can be obtained two ways: by responding to the Ithaca Police Department in person and having the personnel at the front desk print one for you, or going to the following website and entering the requested information: [www.ithacany.policereports.us](http://www.ithacany.policereports.us)**
